Hello Cruisers!

We started printing this calendar & newsletter 38 years ago. A lot of things have changed in that time period, and a lot of things have stayed constant. The technology of restoration has certainly changed. The technology of high performance has also changed. The internet has certainly changed the availability of parts and services. Swap meets are fun and we still look forward to them, but there is no doubt that the really hard to find stuff is probably online if you can afford to buy it. Also, the prices of collector and high performance cars has certainly changed over the years. The TV auctions have contributed to that. It is not unusual to see million dollar cars go over the auction block.

Now lets look at what hasn't changed. The first thing I think of is the fellowship of the specialty car hobby. It is still the same tight knit group of enthusiasts with a burning passion for the Golden Age of the automobile. Over the years that we have been involved, this fellowship is probably the most valuable. We have made so many new friends it would be impossible to count them. No matter what you are into, be it rat rod, restomod, vintage or muscle car, when you go to a car show you probably will make at least one new friend that day. This fellowship is probably the most constant and valuable feature of this hobby. We are glad to be a part of it!!

Cruisers,

It's been a fun season, but now its time to put our toys away again for the season. We love seeing everyone all summer long, but now its time to fix all our toys and start thinking about another season, God willing. We hope that everyone is enjoying good health. Here's wishing you a great fall and coming holiday season. We are thankful for all our friends that we have met through the car hobby throughout the years. Friends that would do anything for each other! Please do not hesitate to call us if you have a question on an upcoming event. Things are changing daily around here, so you never know what to expect! Lol. Keep an eye on our facebook pages as well as our website for any new additions to our schedule. As always, we plan to send out this printed edition of our schedule to anyone that does not have access to a computer or smart phone, and you know who you are! We try to keep our calendars updated as often as time allows. If we miss something, please let us know, we do get busy sometimes! Thanks for being a friend. We love you all!
