

Cruisers,

It's been a fun season, but now its time to put our toys away again for the season. We love seeing everyone all summer long, but now its time to fix all our toys and start thinking about another season, God willing. We hope that everyone is enjoying good health. Here's wishing you a great fall and coming holiday season. We are thankful for all our friends that we have met through the car hobby throughout the years. Friends that would do anything for each other! Please do not hesitate to call us if you have a question on an upcoming event. Things are changing daily around here, so you never know what to expect! Lol. Keep an eye on our facebook pages as well as our website for any new additions to our schedule. As always, we plan to send out this printed edition of our schedule to anyone that does not have access to a computer or smart phone, and you know who you are! We try to keep our calendars updated as often as time allows. If we miss something, please let us know, we do get busy sometimes! Thanks for being a friend. We love you all!

David & Susan
