

Cruisers,

Wow, this year certainly went fast! Here we are again entering the fall/winter season. We just want to say it is so much fun spending our spring and summer with all of you cruisers. Seems like we are all getting older and every so often we have to say goodbye to one of our dear friends. So treasure every moment you spend with all of your car show friends, because time goes so fast!

Hopefully when we get to October, we will still be in good health and still sharing our music and car knowledge with all of you out there! We certainly appreciate all the work our employees and friends put into our business! Whatever we need, they are there for us!

Once again, we will certainly keep you updated on any shows we add to our schedule throughout the season. So keep an eye on our website, facebook and box of flyers we have at the car shows. Our calendar is only mailed to cruisers that cannot access online calendars and print. If you know someone that should have one mailed to them, please contact us! And as always if show day weather looks bad, be sure to contact us or the car show promoter before you leave to travel to the show. Keep the pedal to the metal!!!
